## **Holiday Safety**

With the holiday season upon us, we would like to share some general safety reminders to help keep everyone safe. Below are a few holiday safety links that contain safety tips to help us enjoy a safe holiday season:

The holidays are also a time where many of us will be traveling. Be sure that someone knows your schedule and keep them informed of any delays. Keep in mind that weather can create dangerous traveling conditions so be prepared in case of a breakdown or delay. Below is a link to travel safety tips from the Government of Alberta:

From all of us at Peace River School Division, we wish you a safe and happy holiday season.
