

Fairview & Area LEARNING STORE

Online Registration for the 2021-22 school year is open! Simply log into prsd.ab.ca and choose Registration.

The Fairview and Area Learning Store is an outreach school offering a complete high school program with an emphasis upon flexibility and addressing individual needs in a caring and supportive environment.

We have continuous intake so students may begin their program at any time throughout the school year. Our program allows students to complete course work at their own pace. Individualized programming, on-site instruction, marking and final exam writings for all courses occurs whenever a student completes course work, rather than on an institutional timeline, thus giving students greater freedom to chart their own path.

At FALS we are working to maintain a healthy, safe and welcoming environment for all our students.

We look forward to welcoming new and returning students. Online registration is in effect, please contact the school for details.
